But I _____ let it go
There's so much more to life

_____ me that I got it wrong
_____ me everything will be okay
Before I _____
_____ me they'll play my songs
_____ me they'll sing the words I'll say
When darkness _____
All of the stars will see
Just me and my guitar

I _____ sure that I'll find my way
'Cause I _____ afraid to try
Even a world of love and hope
Can't guarantee that prize

So maybe I should get a nine to five
I _____ let it go
There's so much more to love

_____ me that I got it wrong
_____ me everything will be okay
Before I _____ no no
_____ me they'll play my songs
_____ me they'll sing the words I'll sing
When darkness _____
All of the stars will see
Just me and my guitar
